A server, also known as a waiter or waitress, is a frontline employee in the hospitality industry who takes orders, serves food and drinks, and helps create a memorable dining experience. Servers typically perform the following duties:

- Greet customers: Welcome guests as they sit at the table
- Take orders: Collect food and beverage orders and deliver them to the kitchen
- Making Drinks per Restaurant's recipes.
- Preparing Packaging for To-go orders.
- Ensure customer satisfaction: Check in with customers, answer questions, and address concerns
- Prepare room for dining: Set tables, decorate, and provide condiments, candles, napkins, service plates, and utensils
- Serve food and drinks: Ensure food is prepared correctly and to customers satisfaction
- Collect payments: Process payments and handle cash and credit card transactions
- Clean and set up tables: Keep tables clean and tidy at all times
- Assist with opening and closing duties: cleaning front restaurant equipment and facilities and customer restroom.

Servers should also provide information to help food and beverage selections, maintain dining ambiance with an enthusiastic attitude, and adhere to sanitation, safety, and alcohol beverage control policies.

Requirements :

1. Proven restaurant serving or waitering experience, or hands-on experience in cashier duties at least 12 months
2. Knowledge of Thai food and ingredient is beneficial.
3. Customer service: Ability to provide excellent customer service in a fast-paced environment
4. Positive attitude: Ability to work well under pressure with bussers, cooks, and other staff
5. Attention to detail: Ability to balance multiple plates and drinks, often in a crowded dining area
6. Communication skills: Ability to interact with customers and relay information to the kitchen staff
7. Cleanliness and safety: Attention to cleanliness and safety
8. Trustworthy: Responsible and trustworthy
